Innovative Catering

Breakfasts, Lunches or Afternoon Tea, Whatever you are looking for Bowl Foods can be a great way to get your guests scrape that bowl base with their spoons while engaging and laughing away with each other. At Benons Catering, we will deliver it to you. We believe in catering being a part and parcel of the process of engagement and getting to know the other as we munch away. It's the reason we put everything into what we do from the best of British fry-ups to fresh and wholesome Indian cuisine, good old Mediterranean, or perhaps some of Scotland's finest kedgeree. Our job is to ensure that you start your day, in the best possible way; the way every day should be.
